The Dartmouth Local NSTU awards student bursaries, in the amount of \$499.00 each, to children of teachers/members in the Dartmouth Local. The bursary winners will be selected by random draw in May, however, the winners will not be officially announced until after the 2024-2025 budget is approved at the Dartmouth Local's AGM in June. The number of bursaries is dependent on the budget approved at the AGM.

Dartmouth Local NSTU members are eligible to apply for bursaries if they meet the following guidelines:

- a) Student (son or daughter) will be enrolled in a post-secondary institution (i.e. community college, university, etc.) for the coming academic year (2024/2025).
- b) Student must be enrolled in an undergraduate program or equivalent (cannot be a Masters or other Graduate level program).
- c) Student has not received a Dartmouth Local NSTU bursary in the past.
- d) Parent must be an NSTU member (at time of application and as of Sept. 1, 2024). Administrators who are no longer NSTU members are NOT eligible.
- e) Student must provide proof of enrollment program (if approved) in order for funds to be disbursed.

Additional Guidelines:

- a) Student may only receive the bursary once in their lifetime.
- b) Bursary will be paid out, via cheque, in the student's name.
- c) **Deadline for application is Friday, May 10th, 2024 at 4:00PM.** You must apply online using the web form on the Dartmouth Local website.

Please note: Should a student bursary be awarded, additional information will be required by our Local Executive (proof of enrollment). If this information is received and verified, then cheques will be written and sent out in September or October of 2024. If proof of enrollment is not sent in, funds will be sent to alternates.

A letter of acceptance into a program is not sufficient for proof of enrollment. Usually we accept a photocopy of the student's ID card, verification of course enrollment (course schedule) or a letter from the institution.
